Subject: New Addiction Recovery Supports Warm Line!

Importance: High

Please help us spread the word to individuals we serve and their family members about the new Addiction Recovery Support Warm Line serving the RVA!

RBHA, in partnership with Chesterfield CSB, Goochland-Powhatan CSB, SAARA of Virginia, Mental Health America of Virginia and Friends 4 Recovery, are launching a Peer Recovery & Resource Warm Line thank to funding from the Virginia Dept. of Behavioral Health & Developmental Services. Trained individuals with lived experience in addiction recovery will offer telephonic support, recovery support options, and resources available for treatment, housing, food, and medical care. We encourage those struggling with addiction, their loved ones, and community members to reach out.
